

# Company Brochure.

# ABOUT KRATIS

Kratis was established in 2005.

The core work of Kratis comprises of Training, Consulting Services and exploitation of Research Projects and Initiatives which cover a wide range of corporate activities in diverse business sectors and industry segments.

Kratis is a boutique training and consulting organization that specializes in Human Factors, Human Error and Organizational Behaviour. We would describe our approach as very client-centered with a thorough needs analysis process, that helps us customise our services to the needs of our clients

The recent Training and Consulting engagement of Kratis worldwide reveals cooperation with plenty of reputable International and regional organisations.

## ALTERNATIVE TRAINING APPROACH

---

Kratis currently provides several solutions as a response to the COVID-19 situation.

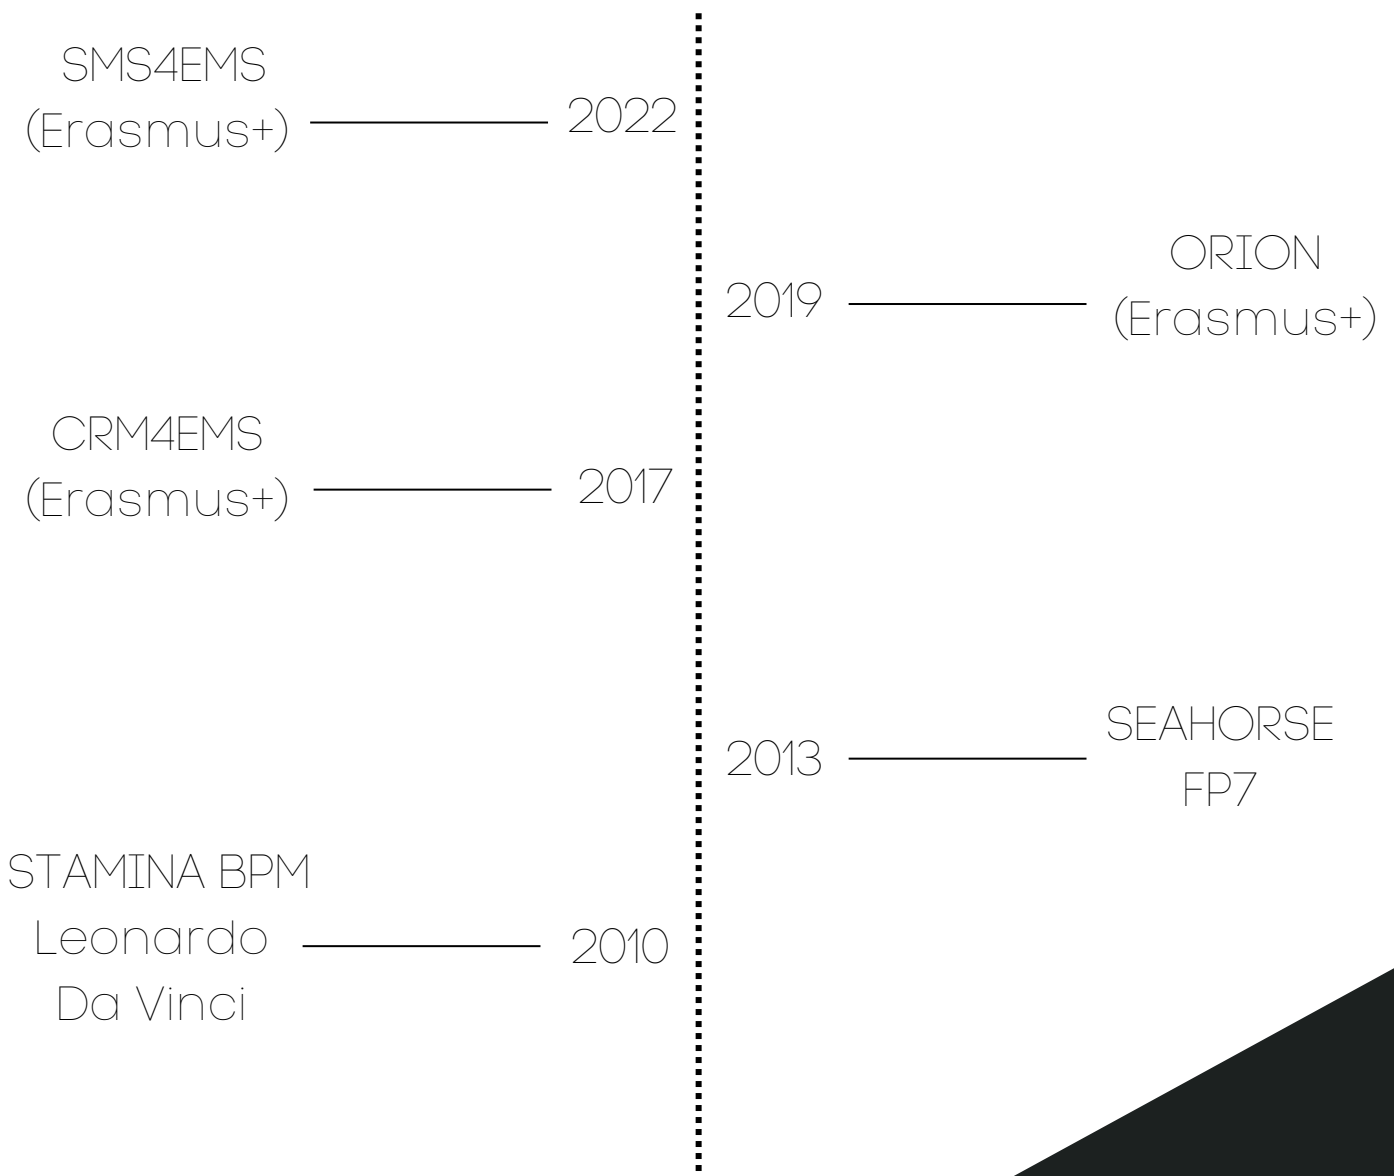

We have already introduced alternative training solutions (e-Learning, Live Webinars/Virtual Classroom Learning) in order to give the opportunity to all organisations and professionals to continue their learning and educational activities.

find our e-learning courses here:

# EUROPEAN FUNDED RESEARCH PROJECTS

Kratis has been participating in various European Union research projects since our very beginning in 2005. Our involvement in such projects has helped us a lot in expanding our knowledge in the subjects that we are involved in and we are always open in considering new revolutionary ideas.

## PATIENT SAFETY /CONFERENCE

An annual conference organized by Kratis, with the main objective being the improvement of Patient's Safety in the Health Care industry.

## AFTER WORK SESSIONS

After Work Sessions are 2-hour workshops in a casual environment with wine and cheese, organized monthly at our premises.

## AVIATION OPEN DAY

Aviation Open Day is a one-day event dedicated to the challenges of Aviation, with professionals from around the world, sharing their professional stories. Organized annually.

## EXPRESSIT. PODCAST

Expressit. Podcast is a podcast that invites professionals from various industries to discuss the hottest topics related to organizational behaviour and human factor. The podcast is hosted by two of Kratis professionals, Vassos Lappa and Solonas Demosthenous

# EXPRESSIT.
